OFFICIAL

KSC BULLETIN USERS—PERSONAL ADVERTISEMENTS: All property advertised for sale in the KSC Bulletin must be owned by the person submitting the advertisement. The privilege to use the KSC Bulletin could be denied to any persons who misrepresent ownership or falsify names and signatures of owners. (TA-E1)

NOVEMBER HEALTH EDUCATION AND WELLNESS PROGRAM—HIV/AIDS INFORMATION MONTH: HIV/AIDS remains a critical and devastating epidemic. There is no vaccine and AIDS cannot be cured. It can, however, be prevented. Education, knowledge and safe behaviors are the keys to prevention. Packets on the latest information on AIDS will be available at all medical facilities and upon request to Carol Roth, 867-3414, CHS-005, email **Roth-1, Carol**. (TA-C2)

NOVEMBER'S CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE:

Wednesday	November 8	7 a.m. – 8 a.m.	OHF (Occupational Health Facility)
Thursday	November 9	7 a.m. – 8 a.m.	CAC (CCAFS Medical Facility) (TA-C2)

NOVEMBER'S VISION SCREENING: Visual Acuity and Glaucoma Testing

Tuesday	November 14	11 a.m. – 1 p.m.	OHF (Occupational Health Facility)
Tuesday	November 28	11 a.m. – 1 p.m.	OHF (Occupational Health Facility) (TA-C2)

KSC FITNESS CENTERS—INTERCENTER WALK/RUN: November 14, at 5 p.m. KSC Fitness Centers will be sponsoring the Intercenter Walk/Run on Tuesday, November 14, at the Shuttle Landing Facility. The 2-Mile Walk/Run, 5K and 10K Run are FREE for all KSC employees. Stop by either Fitness Center by November 3 to pre-register—late registration takes place at the race. T-shirts may be ordered at any NASA Exchange store. If you'd like to volunteer, please call 867-7829. (TA-C2)

NUTRITION TIP OF THE WEEK—FROM THE KSC FITNESS CENTERS: Building muscle mass is a simple two step process. The first step is to work those muscles and the second is to provide the proper type of fuel. You may think protein is the best fuel, but that is a myth. Muscles work on calories, which should be predominately carbohydrates. The remainder of the calories are divided between fat and protein. Too much protein can result in nutrient imbalance, kidney strain, dehydration, and excess body weight. Protein is not stored for future use, so over consumption results in extra calories that are either burned or stored as fat. A good eating plan and a workout, that combines aerobic and anaerobic activity on a regular basis, are the answer to building muscle mass. (TA-C2)

FLAGS AT HALF STAFF: In memory of those service members killed onboard the USS Cole, the President extended the period that the flag of the United States was flown at half staff through sunset on October 18, 2000. Following that, the flags remained at half staff until sunset, October 20, in memory of Missouri Governor Mel Carnahan, who died on October 16 and was buried on October 20. (TA-E2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (TA-C2)

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Refuge Week Open House, Saturday, November 4, 9 a.m. – 4 p.m.; lagoon boat tours, kayak tours, Manatee Awareness Day activities, live lagoon life exhibits, native plant sale, butterfly and wildlife gardening program, bird watching workshop, fire fighting demonstration and exhibit, child's junior refuge manager activities, and much more. For more information call 861-0667. (FWS)

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Space Coast Birding and Wildlife Festival, November 9-12; seminars, workshops and field trips featuring natural areas and wildlife of Brevard County, including The Refuge, Canaveral National Seashore, Kennedy Space Center, Indian River Lagoon, St. John's River and much, much more! Also featuring the groundbreaking of the Great Florida Birding Trail. For more information, call 861-0667. (FWS)

KSC/CCAFS COMMUNITY APPRECIATION DAY: On November 4, 2000, KSC and CCAFS will open their doors from 9 a.m. to 3 p.m. to a select number of car pass holders from the surrounding community for the **2000 KSC/CCAFS Community Appreciation Day**. An **Open House Information Line** has been created to keep you informed with details about directions, car pass pick-up locations and facilities that will be open for you to visit. The information line is 867-5522. Employees will also need to pick up a car pass at either a KSC Exchange store or any Brevard County library location. Car passes will be given out on a first-come, first-serve basis and will be available mid-October. For other information and library locations, please visit the Open House web site at <http://kscinfo.ksc.nasa.gov/openhouse/default.html>. (XA-F)

To search the Library's on-line catalog go to: <http://nasagalaxie.larc.nasa.gov/>. For questions call 867-3613 or mailto: KSCLibrary@ksc.gws00.ksc.nasa.gov. (TA-E1)

EMPLOYEE ORGANIZATIONS: Employees have the right to join, or refrain from joining, employee unions. NASA recognizes the right of its employees to form, join, and assist any employee organization, or to refrain from any such activity, and to exercise these rights freely and without penalty or reprisal. This right also extends to participation in the management of the employee organization and to acting as an employee organizational representative, except where such activity would result in a conflict of interest with the official duties of an employee. (BA-B)

LEAVE ADMINISTRATION: Properly managing the use of annual and sick leave is your responsibility. Except for emergencies, you are expected to request leave in advance and obtain your supervisor’s approval. In cases of emergency absence, call in and notify your supervisor of the circumstances as soon as possible after the start of the workday, but no later than 4 hours after the beginning of the workday. Failure to properly request and obtain approval of leave may result in the absence being charged to “Absence Without Leave” and could also lead to disciplinary action. Those who are earning annual leave above maximum accumulations limits must plan use of annual leave to avoid loss of one or more days at the end of the year. (BA-B)

SECURITY NOTICE: Florida State Statue 316.1975, Unattended Motor Vehicles, states: “no person driving or in charge of any motor vehicle except a licensed delivery truck, or other delivery vehicle while making deliveries, shall permit it to stand unattended without first stopping the engine, locking the ignition, and removing the key.” Do not leave the engine running in your unattended vehicle, at any time. (TA-E2)

FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES: CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. Questions regarding health benefits should be referred to Sharon Lowry (867-9178), or Kathy McIntosh (867-2405), Benefits Team, Personnel Office, Headquarters Building, Room 2507. (BA-B)

DISCRIMINATION COMPLAINTS: Whenever a KSC employee or applicant for employment believes they have been discriminated against based on race, color, religion, sex, national origin, age, or handicap, the employee **must contact an EEO Counselor within 45 calendar days** of the incident giving rise to the complaint. An informative Equal Employment Opportunity Program poster with counselors’ identities and further complaint information is on all KSC Official Bulletin Boards. EEO Counselors are trained to inform you of your rights, answer your questions, and can do limited fact finding into your allegations. Counseling is a confidential process, and only the employee can authorize a counselor to discuss his or her issues with another party. For further information, contact the KSC EO Office at 867-9165. (Aj)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. “The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency.” If not approved for specific applications, electronic images of the NASA Insignia (“meatball”) should be removed from computer systems. (TA-E1)

KSC RIDESHARING PROGRAM: The KSC Ridesharing Program assists you in joining existing car/van pools or forming new ones. Forms for the Ridesharing Program are available by calling 867-3420. The information provided on the forms will be fed into a computer which matches people by residential areas and compatibility of work hours. Each person responding will be sent a list of potential car or van poolers. The Brevard County Space Coast Area Transit provides the listings. (TA-E1)

CONFIDENTIAL FINANCIAL DISCLOSURE REPORT (OGE FORM) FILING: Those individuals reporting to a position for which there is a requirement for an initial and annual 450 filing are reminded the INITIAL filing must be completed no later than 30 days after reporting to that position. Forms are available from the Office of Chief Counsel by calling 867-2552. (CC)

NASA SCIENTIFIC AND TECHNICAL INFORMATION: The NASA STI Program Home Page on the World Wide Web is accessible at URL <http://www.sti.nasa.gov>. The NASA STI Program provides ready access to over three million aerospace and related citations. This service is run by the NASA Center for AeroSpace Information (CASI) for the lead NASA Center, Langley Research Center. (TA-E1)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first-aid care from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeri Huneycutt at 867-2143. (TA-A)

EMPLOYEES PLANNING FOR RETIREMENT: To make tentative annuity computations, verify creditable service, and process an application for retirement, employees considering retirement should assure that all military and civilian service has been properly documented in their personnel records. Although dates of military service may have been previously recorded and verified, these dates should be reverified so there will be no delay in the receipt of annuity checks. Employees who have had active military service should submit to Sharon Lowry, Retirement Counselor, Personnel Office Benefits Team (BA-B), copies of their military discharge papers, DD 214, or other documents showing the beginning and ending dates of active service. Employees who do not ensure that all active duty military service is properly documented may experience a delay in the receipt of full annuity payments from OPM upon retirement from civil service. Contact Sharon Lowry, 867-9178, Headquarters, Room 2515. (BA-B)

FEDERAL EMPLOYEES HEALTH BENEFITS EXTENSION OF COVERAGE: The Federal Employees Health Benefits Amendments Act (PL 100-654) has provided separated employees, certain dependent children, and former spouses the option of keeping their Federal Employees Health Benefits (FEHB) plan for specific periods of time. Under the provisions, employees who leave the Government, either voluntarily or involuntarily, are eligible to continue FEHB coverage for 18 months if (1) the employee was enrolled in the FEHB at time of separation; and, (2) the employee was NOT fired because of “gross misconduct.” This includes employees who retire and are not eligible to continue FEHB coverage as annuitants. Children who become age 22 and ex-spouses may continue coverage for up to 36 months provided they had coverage under a Federal employee at the time of the event. These individuals have continuation of coverage for 31 days at no cost to them. However, within 60 days of the event, they must submit paperwork to continue their FEHB. For more information, contact one of the following benefits personnel: Kathy McIntosh, 867-2405 or Sharon Lowry at 867-9178. (BA-B)

EMAIL USERS: Email is an informal communication and is not to be used as the primary way to document official Agency business. Should official business be transacted using this system, hardcopy documents of the email messages must be produced along with transmission and receipt data, directories, and distribution lists. They must be filed, maintained, and disposed of in accordance with NPG 1441.1 (as revised), NASA Records Retention Schedule. After the hardcopy has been produced, messages may be deleted from the email system. For more information, see NASA Headquarters CIO Executive Notice 12-96, 2/20/96. (TA-E1)

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require you to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, Dian Hardison, or Nona Mamaradlo at 784-7502.

EMBRY RIDDLE: Dr. Wayne Harsha, the program chair for the Master of Science in Technical Management (MSTM) program will be speaking on Wednesay, November 1, at the Cape Canaveral Radisson at 2 p.m., 4 p.m., and 6 p.m. He will be available between, and after the sessions, for individual questions. Applications are being accepted for the next cluster. Call 321-783-5020 or email us at **space_coast_center@cts.db.erau.edu** for more information.

FLORIDA INSTITUTE OF TECHNOLOGY: Florida Tech offers a variety of master's degree programs at our Spaceport site, e.g. Master of Science in: Space Systems, Management, Computer Information Systems, Engineering Management, Acquisition and Contract Management. Evening classes are offered at Kennedy Space Center and Patrick Air Force Base. Distance Learning courses are also available. Applications are being accepted for the spring semester, which begins on January 8. For a catalog and/or information, please call 453-2030 or 784-2045.

UNIVERSITY OF MIAMI: The University of Miami is currently accepting applications for the Master of Science in Management of Technology (MOT) and the Master of Science in Industrial Engineering (MSIE) with a concentration in Engineering and Operations Management. Both programs will be taught at the Space Coast. Applicants to the Master of Science in Management of Technology can start the program in late November 2000 or January 2001. Courses are held Friday evenings and Saturday mornings to accommodate working professionals. Applicants to the Master of Science in Industrial Engineering can start in January/February. Come and join our highly distinguished faculty which is recognized for teaching excellence. Only University of Miami senior, full-time faculty who have experience in industry teaching professionals are included in the program. To receive an application/brochure and to obtain further information about both degrees please call Mr. Augusto Roca, Program Administrator at 1-305-284-4100 or send email to **augusto@miami.edu**.

WEBSTER UNIVERSITY: A Master of Science in Computer Science program in the KSC area has an anticipated start date March 2001. Information on interested prospects is being accepted at this time. Call 449-4500 and speak with an Administrative Assistant or visit **www.webster.edu/spacecoast** for more information on application and registration
